**OFFICER:** *W. Aukerman #72-Lake Stevens Police*

This incident occurred in the city of Lake Stevens, which is located in Snohomish County in the State of Washington.

**SUMMARY:**

Elizabeth Reinsmith reported a recent hit and run to her parents van. Reinsmith claimed to have heard the collision and did not have any suspect vehicle information. The damage Reinsmith had pointed out appeared to be old damage to the vehicle; her parents were out of town and unable to verify any new damage. An information report was taken.

**NARRATIVE:**

On 03/18/2016 at about 2157 hours Elizabeth Reinsmith called 911 from her residence at 2911 Lake Drive, in the city of Lake Stevens, to report a hit and run having occurred about 10 minutes ago to her parents van that was parked on the street. Reinsmith provided a suspect vehicle as possibly being a SUV.

I arrived on scene and spoke with Reinsmith. Reinsmith pointed out damage along the passenger side of her parent's van which she said was new damage. Reinsmith said she heard the collision from inside her home. Reinsmith pointed out the damage, which appeared to be old damage due to the rust pattern running over the top of scratches she said were new.

Reinsmith said she moved her parent's vehicle out of the driveway since they had been out of town and were coming home. I noted the vehicle was illegally parked (facing northbound on the west side of the southbound lane). The vehicle was parked 27" to 32" away from the painted white fog line and the claimed new damage ran along the passenger side of the vehicle from the sliding door to above the rear passenger tire.

Due to Reinsmith's parents being out of town at this time I elected to document the incident with an informational case report.

At this time there is no known suspect vehicle and/or driver. I am recommending this case be closed in this office until such time any evidence can provide further follow up information.

**END OF REPORT.**
